Hideyasu Sato

Curriculum Vitae

Associate Professor
Department of Data Science for Food Systems
Faculty of Food and Nutritional Sciences
Toyo University

Updated November 1, 2026

RESEARCH INTERESTS

Agricultural and food economics; food demand and consumer behavior; aggregation and price indices; agricultural trade; sensory evaluation and food preferences.

EDUCATION

Apr 2017	**Ph.D. in Agricultural Sciences**, The University of Tokyo. Department of Agricultural and Resource Economics.
Apr 2012 - Mar 2014	Master's program, Department of Agricultural and Resource Economics, Graduate School of Agricultural and Life Sciences, The University of Tokyo.

ACADEMIC APPOINTMENTS

Apr 2024 - present	**Associate Professor**, Toyo University. Department of Data Science for Food Systems, Faculty of Food and Nutritional Sciences
Apr 2021 - Mar 2024	**Associate Professor**, Toyo University. Department of Food and Life Sciences, Faculty of Food and Nutritional Sciences
Apr 2020 - Mar 2021	**Lecturer (full time)**, Toyo University. Department of Food and Life Sciences, Faculty of Food and Nutritional Sciences
Apr 2018 - Mar 2020	**Adjunct Assistant Professor**, Hitotsubashi University. Institute of Economic Research
Apr 2017 - Mar 2018	**Researcher**, The University of Tokyo. Graduate School of Agricultural and Life Sciences

OTHER APPOINTMENTS AND AFFILIATIONS

Apr 2021 - Mar 2025	**Visiting Scholar**, Hitotsubashi University. Institute of Economic Research
Oct 2022 - Mar 2023	**Lecturer (part-time)**, Atomi University. Faculty of Management
Apr 2021 - Mar 2023	**Researcher**, Toyo University. Center for Biomedical Engineering Research
Sep 2018 - Jan 2023	**Lecturer (part-time)**, The University of Tokyo. Faculty of Agriculture
Apr 2018 - Mar 2020	**Lecturer (part-time)**, Gakushuin University. Faculty of International Social Sciences
Sep 2014 - Mar 2018	**Lecturer (part-time)**, Seijo University. Faculty of Economics
May 2013 - Mar 2018	**Research Assistant**, The Research Institute of Economy, Trade and Industry.

PEER-REVIEWED PUBLICATIONS

1. Hideyasu Sato. When is plant-based meat close enough? A multiplicity- and selection-aware non-inferiority reanalysis of sensory-parity claims. *Food Quality and Preference*, 148 (2027), 106145. Published online Oct 13, 2026.

2. Hideyasu Sato. Household unit values, measurement units, and the current-share Stone index in LA/AIDS estimation. *Applied Economics*, 1-16. 2026.

3. Hideyasu Sato. JAR-Deviation Burden, Home-Laboratory Differences, and Purchase Intent in Consumer Evaluations of Commercial Cooked Hams. *Journal of Sensory Studies*, 41(5). 2026.

4. Yusuke Takatsuru, Yuka Sekine, Hideyasu Sato, Tomoko Osera. Food preference and gender are associated with medial/frontopolar prefrontal regions functional near-infrared spectroscopy responses during eating: An exploratory study in young adults. *PLOS One*, 21(8), e0343481. 2026.

5. Yusuke Takatsuru, Shunichi Motegi, Tatsuya Nishikata, Hideyasu Sato, Keita Yonemochi. Frontal medial cortex and angular gyrus functional connectivity is related to sex and age differences in odor sensitivity. *Journal of Neuroimaging*, 32(4), 611-616. 2022.

6. Naohito Abe, Toshikatsu Inoue, Hideyasu Sato. Price Index Numbers under Large-Scale Demand Shocks-The Japanese Experience of the COVID-19 Pandemic. *Journal of Official Statistics*, 38(1), 301-317. 2022.

7. Hideyasu Sato. Research on Aggregation of Food and Beverage Demand: Analysis Using Large-Scale POS Data. *Journal of Rural Economics*, 93(1), 17-22. 2021. (In Japanese.)

8. Hideyasu Sato. A Study of the Aggregation of Dairy Product Demand. *Journal of Food System Research*, 27(4), 220-225. 2021. (In Japanese.)

9. Hideyasu Sato. A Study of Spatial Goods Aggregation Using Milk Products in Japan. *Journal of Food System Research*, 26(4), 261-266. 2020. (In Japanese.)

10. Hideyasu Sato. Tests of the Generalized Composite Commodity Theorem: An Econometric Analysis Using Dairy Products POS Data. *Journal of Rural Economics*, 91(3), 368-373. 2019. (In Japanese.)

11. Hideyasu Sato, Katsuhiro Saito. Econometric Analysis of Demand for Dairy Products in Japan: An Estimation of "Micro" and "Macro" Elasticities of Substitution. *Journal of Rural Economics*, 91(1), 71-76. 2019. (In Japanese.)

12. Hideyasu Sato, Katsuhiro Saito. Econometric Analysis of Demand for Milk: Estimation of Elasticities Using the QUAIDS Model. *Journal of Rural Economics*, 89(3), 214-219. 2017. (In Japanese.)

13. Hideyasu Sato, Katsuhiro Saito. Impact of Raw Milk Supply Shocks on the Structure of Japan's Classified Raw Milk Market. *Journal of Rural Economics*, 88(3), 299-304. 2016. (In Japanese.)

14. Katsuhiro Saito, Hideyasu Sato, Takeshi Haga. Impact of Mastitis on the Domestic Supply of Raw Milk and Butter: Back-of-the-envelope Calculations. *Journal of Food System Research*, 23(3), 223-228. 2016. (In Japanese.)

15. Hideyasu Sato, Katsuhiro Saito. Impact of TPP on Japanese Raw Milk Production: A Partial Equilibrium Approach. *Journal of Rural Economics (Special Issue)*, 208-211. 2014. (In Japanese.)

16. Hideyasu Sato, Katsuhiro Saito, Yojiro Ishibashi. Impact of FTA on Japanese Dairy Market: An Extended GSIM Approach. *Journal of Rural Economics (Special Issue)*, 227-233. 2013. (In Japanese.)

OTHER PUBLICATIONS AND RESEARCH REPORTS

1. Yusuke Takatsuru, Yuka Sekine, Hideyasu Sato, Tomoko Osera. Food intake habits and preference affects the activity of medial frontal cortex during eating; functional near-infrared spectroscopy is potential biosensor for appetite study. *bioRxiv*. 2026. Preprint.

2. Hideyasu Sato. Generalized Axiom of Revealed Preference Tests for Foods and Drinks: The Case of Using POS Data in Japan. *10th Asian Society of Agricultural Economists International Conference Proceedings*, 1077-1100. 2022.

3. Naohito Abe, Toshikatsu Inoue, Hideyasu Sato. Price Index Numbers Under Large-Scale Demand Shocks -The Japanese Experience of the COVID-19 Pandemic. *RCESR Discussion Paper Series*, 20-2, 1-29. 2020.

4. Konomi Saito, Katsuhiro Saito, Hideyasu Sato, Chatura Sewwandi Wijetunga. Effects of Climate Change on Sri Lankan Rice Production and Economy -Applied General Equilibrium Approach -. *Soka Economics Studies*, 49, 39-53. 2020. (In Japanese.)

5. Hideyasu Sato. Do Large-scale Point-of-sale Data Satisfy the Generalized Axiom of Revealed Preference in Aggregation Using Representative Price Indexes?: A Case Involving Processed Food and Beverages. *RCESR Discussion Paper Series*, 19-2, 1-21. 2020.

6. Konomi Saito, Katsuhiro Saito, Hideyasu Sato. Rice Yield Variation and International Price of Rice. *Soka Economic Studies*, 47(1), 39-53. 2018. (In Japanese.)

7. Hideyasu Sato, Katsuhiro Saito. Elasticity of Import Substitution and Impact of FTA on Dairy Products in Japan. *9th Asian Society of Agricultural Economists International Conference Proceedings*, 1356-1369. 2017.

8. Katsuhiro Saito, Takeshi Haga, Mitsuko Chikasada, Hideyasu Sato, Manae Okawa. Impact of Mastitis on the Dairy Farming, Supply of Raw Milk and Butter. *Livestock industries information*, 327, 54-64. 2017. (In Japanese.)

9. Katsuhiro Saito, Takeshi Haga, Hideyasu Sato, Mitsuko Chikasada, Manae Okawa. The Impact of Mastitis on the Supply of Raw Milk and Dairy Products. *Journal of Veterinary Epidemiology*, 20(1), 43-44. 2016. (In Japanese.)

10. Hideyasu Sato, Katushiro Saito. Impact of FTA on Japan's Raw Milk Market: A Regional Model of Hokkaido-Tofuken Approach. *Department of Agricultural and Resource Economics Working Paper Series*, 14(E-001), 1-14. 2014. (In Japanese.)

RESEARCH GRANTS

Apr 2026 - Mar 2030	Food Supply Shocks and Price Transmission in Late Early Modern Ezo. *Grant-in-Aid for Scientific Research (C); 26K08981.*
Apr 2024 - Mar 2027	Considerations on Aggregation Methods and Index Construction When Goods Differ Between Points in Time and Locations. *Grant-in-Aid for Scientific Research (B); 23K25496; Co-Investigator.*
Apr 2021 - Mar 2025	A Quantitative Economic Study of the Relationship Between Climate Change Mitigation Measures and Food Security. *Grant-in-Aid for Scientific Research (B); 21H02294; Co-Investigator.*
Apr 2021 - Mar 2025	Predicting the "gains from trade" using AI technology in the agricultural sector. *Grant-in-Aid for Early-Career Scientists; 21K14930.*
Apr 2019 - Mar 2023	Verification of Separability and Aggregate Goods in Household Consumption Behavior. *Grant-in-Aid for Scientific Research (B); 19H01467; Co-Investigator.*
Aug 2016 - Jan 2017	Import Demand Analysis in International Dairy Products Market. *Grants for Ph.D Research; Principal Investigator.*
Aug 2015 - Jan 2016	Research on Market Structure of Raw Milk and Dairy Products in Japan. *Grants for Ph.D Research; Principal Investigator.*
Aug 2014 - Jan 2015	Impact of FTA on Japan's Raw Milk Market. *Grants for Ph.D Research; Principal Investigator.*

HONORS AND AWARDS

Jul 2026	**Outstanding Educational Activity Award**, Toyo University. Food Data Analysis Basic Seminar (joint award).
Jun 2023	**Outstanding Educational Activity Award**, Toyo University. Foundation of Information Processing and Information Processing Practice.
Mar 2018	**The Dean's Award for Academic Excellence**, Graduate School of Agricultural and Life Sciences, The University of Tokyo.

SELECTED PRESENTATIONS

Oct 30, 2026	Sequential FTAs and Structural Revisions in Import Demand: Evidence from Japan's Beef Market. 12th Asian Society of Agricultural Economists International Conference.
Jun 21, 2026	Structural Estimation and Ex Post Evaluation of the Effects of Tariff Reductions on Imports: A Case Study of Beef Imports under the Japan-Australia EPA. Annual Conference of the Food System Research Association of Japan.
Mar 29, 2026	Identification and Calibration of alpha_0 in the Almost Ideal Demand System. with Naohito Abe Annual Meeting of the Agricultural Economics Society of Japan.
Mar 30, 2025	Regional Determinants of Coffee Consumption: Focusing on Kyoto Prefecture. with Mayuko Yoshida Annual Meeting of the Agricultural Economics Society of Japan.
Oct 9, 2023	Estimation of elasticity of substitution in demand for agricultural and food products. Annual Conference of Regional Science Association.

TEACHING EXPERIENCE

Faculty of Food and Nutritional Sciences, Toyo University

Apr 2026 - present	Food Data Analysis Seminar I.
Apr 2026 - present	Applied Econometrics.
Sep 2025 - present	Food Data Analysis and Fieldwork Practicum II.
Apr 2025 - present	Food Data Analysis and Fieldwork Practicum I.
Sep 2024 - present	Exercise in Programming II.
Sep 2024 - present	Food Data Analysis Basic Seminar II.
Apr 2024 - present	Food Data Analysis Basic Seminar I.
Apr 2024 - present	Exercise in Programming I.
Sep 2020 - present	Graduation Thesis.
Sep 2020 - present	Seminar for Food and Nutritional Sciences II.
Apr 2020 - present	Graduation Research.
Apr 2020 - present	Seminar for Food and Nutritional Sciences I.
Sep 2020 - Mar 2026	Introduction to Big Data.
Sep 2020 - Mar 2025	Food Distribution.
Apr 2024 - Aug 2024	Statistics I.
Sep 2020 - Mar 2024	Information Processing Practice.
Apr 2020 - Aug 2023	Foundation of Information Processing.
Sep 2020 - Mar 2023	English for Food and Nutritional Sciences I.
Apr 2020 - Aug 2021	Introduction to Economics.

Graduate School of Food and Nutritional Sciences, Toyo University

Apr 2023 - present	Lecture in Food and Nutritional Sciences I~IV.
Apr 2023 - present	Research in Food and Nutritional Sciences I~IV.
Sep 2022 - present	Advanced Lecture on Food Distribution Economics.

Faculty of Management, Atomi University

Oct 2022 - Mar 2023	Graduation Thesis and Research.
Oct 2022 - Mar 2023	Life Environments Management Seminar IIB.
Oct 2022 - Mar 2023	Life Environments Management Seminar IB.

Faculty of Agriculture, the University of Tokyo

Sep 2018 - Jan 2023	Applied Quantitative Economic Analysis.

Faculty of International Social Sciences, Gakushuin University

Apr 2018 - Aug 2019	Statistics.

Faculty of Economics, Seijo University

Apr 2015 - Mar 2018	Introduction to Microeconomics & the Exercises.
Sep 2014 - Aug 2017	Introduction to Macroeconomics & the Exercises.

PROFESSIONAL SERVICE

Apr 2025 - present	Editorial Board, The Agricultural Economics Society of Japan.
Jun 2022 - May 2024	Editorial Board, The Food System Research Association of Japan.
Jun 2022 - May 2023	Specialist Commissioner for the National Civil Service Examination (Agricultural Science and Fisheries Division), National Personnel Authority.
Apr 2021 - Mar 2022	Election Commissioner, Pan Pacific Association of Input-Output Studies.

Refereeing: Journal of Food System Research; Journal of Economic Structures; Journal of Rural Economics.

PROFESSIONAL MEMBERSHIPS

Japanese Society for Sensory Evaluation; Agricultural Economics Society; Regional Science Association International; Japan Section of the Regional Science Association International; Agricultural & Applied Economics Association; Japanese Society for Artificial Intelligence; Japanese Economic Association; The Food System Research Association of Japan; Pan Pacific Association of Input-Output Studies; The Agricultural Economics Society of Japan.
